- Procurement of PPE from Washington State Department of Corrections.
- Continued partnership with WNG.
- DCH virtual meetings with LTC/ALF/SNF community to stay connected and updated with open dialogue on COVID-19 status in WW Valley.
- Proactive work on PSA’s and infographics with digital marketing company.
- Solid protocol established between Coroner’s Office and PSMMC.
- Tyson compliance with DCH/L&I Essential Business Guidelines and testing of employees.
- Delivery of PPE supplies and test kits from UAC SEOC has enabled us to provide much needed protection to our whole community.
- Experience with annual flu immunization clinics and long history of working together gave us the ability to quickly put together a team for testing at the Tyson Plan. 1,290 Tyson employees tested with staff from PSMMC & DCH.
- Aggressive testing at long-term care facilities.
- Spanish-language PSA’s on local Spanish-language radio stations.

SITUATION REPORT #100

- Approval of additional DCH positions and increased hours by the Board of County Commissioners.
- Media specific email and phone number established, the centralized PIO email/phone number is working well and is helping with coordination of interviews.
- Protocols developed by PSMMC to do surgeries for most compelling cases that were delayed.
- Volunteer staffing at DCH.
- DCH/PSMMC/Coroner/Consulate's Office worked together to support a local family with international funeral arrangements.
- PSMMC has done a great job of allocating resources, workers, and supplies for the patients under investigation awaiting results.
- DCH conversations with school districts on distance learning strategies and graduation planning.
- PSMMC tabletop exercise for activation of PSMMC's auxiliary hospital; well attended by community partners.
- Formation of business/economy reopening workgroup. Workgroup team meetings including townhall Q&A with local businesses; webinars to help educate businesses. Continued frequent meetings of the workgroup. Use of Chamber of Commerce website for posting documentation/guidance.
- Tour of PSMMC Alternate Care site, DCH isolation and quarantine sites, and Park Manor by DOH Med Surge Branch.
- DCYF, Whitman, and DCH debrief on activation of isolation and quarantine for Master's Ranch – West juveniles; successful collaboration.
- Approval of WWEM part-time temp position for logistics by the Board of County Commissioners.
- 1 nurse and 1 disease investigator on staff over the weekend as cases come in over the weekend.
- All of our cases to date are from a known exposure; we're not seeing community spread.
- Arrival of 36,000 masks for low-income population in time for Governor's face mask mandate. Rapid distribution by Blue Mountain Action Council (BMAC) to nearly 30 agencies and on 6/30/20 at 4 locations in the community.
- With the assistance of DCH, PSMMC received Remdesivir.
- DCH and PSMMC community outreach event at First Fruits; mask distribution and information sharing.
- Reopening workgroup recommendation – though no longer required for businesses, a contact log is a good practice.
- Having COVID safety plans in place at businesses benefits successful response to positive employees, as seen recently at a local restaurant.
- City of College Place Hand sanitizer and mask drive-through distribution on 7/7/20 (300 vehicles) and 7/9/20 (400 vehicles). Handout at their booth at Thursday Farmers Market.
- Meeting on 7/8/20 with DCH/WWEM/USFS/DNR to discuss preplanning for COVID testing, isolation and quarantine.

3. Risks and challenges

- COVID-19 Cases–
 - Total Confirmed Cases: 646
 - Active: 150
 - ❖ Home Isolation: 147 (45 are incarcerated individuals at WSP)
 - ❖ Hospitalized: 3 – Walla Walla County residents, additional 2 – out of county
 - Recovered: 490
 - Deaths: 4
 - Washington State Penitentiary (WSP): 112 incarcerated and 4 staff
- Concern for rapid spread at congregated facilities.
- Cross-jurisdictional coordination with Umatilla County, OR, Benton/Franklin County, WA.
- Ongoing thoughtful, timely communications.
- Multiple testing platforms needed to overcome COVID testing challenges.
- [DCH Spanish-language outreach program to improve messaging to Spanish speaking community.](#)
- There are production shortages of rapid testing supplies for the new Cepheid machine. PSMMC is, for now, limited to 180 kits per week.
- **Critical** shortage of disinfectant; no wipes delivered yet; some solution though not sure if it is solution that can be utilized.
- High rate of COVID cases in neighboring counties in both WA and OR. Continued concerns about nonessential travel to/from these counties causing an increase in our case count.
- Overlap among counties for services, work, medical care and families.
- Need to continue to monitor for behavioral health issues.
- Case investigation slowed by contacts not answering phone calls from DCH.
- Asymptomatic testing requests increasing (can impact the time for symptomatic testing turn around if implemented).
- Continued increase in number of cases in the community. Gatherings are driving up county numbers, seeing household member transmissions.
- Governor's most recent orders are more restrictive for restaurants.
- Availability of child-sized masks for those who cannot afford them. (State-level planning is ongoing to supply communities; still no delivery date identified for Walla Walla County.)
- PSMMC implemented reduced hours of operation for drive through COVID testing when temps were well over 100 degrees. Other health-care providers are operating with reduced hours for testing due to heat.

SITUATION REPORT #100

EXCESSIVE HEAT WARNING in effect until Tuesday at 9:00 PM; today's high is Walla Walla expected to be 103 degrees.

- Outbreak at WSP; continuing to see cases.
- Concerns about school not reopening.
- Rural and smaller counties taking longer to get CARES funding; BOCC, Port of Walla Walla and others are working with legislators to improve processes.
- DCH receiving lots of calls on business enforcement (mostly about mask wearing); DCH starts with education for the business, then redirects to Governor's non-compliance website and L&I.
