RE: Proposed Annexation into the City Limits of Walla Walla

The City of Walla Walla received a 10 percent Annexation Petition submitted by the property owner(s) of land located on **Cottonwood Road, west of Kendall Road.**

You are receiving this notice because your property is adjacent to the subject property, or you have filed a special notification request in accordance with Walla Walla Municipal Code (WWMC) Section 20.14.015.

The attached map shows the proposed Annexation boundary submitted with the 10 percent Annexation Petition and the area under review for a potential modified annexation boundary/area.

The **Walla Walla City Council** set Wednesday, **March 25, 2026**, at **6:30 p.m.** at the **Walla Walla City Hall** within the **Council Chambers, 15 N. 3rd Avenue, Walla Walla, WA** (N. 3rd Avenue and Rose Street), as the meeting date to consider this petition and to determine whether to:

- Accept, reject, or geographically modify the proposed annexation,
- Whether it shall require the simultaneous adoption of a proposed zoning regulation, if such a proposal has been prepared and filed for the area to be annexed as provided for in the Revised Code of Washington (RCW) 35A.14.330 and 35A.14.340, and
- Whether it shall require the assumption of all or of any portion of existing city indebtedness by the area to be annexed.

This is not a public hearing; however, the City Council will accept public comments on the proposal.

Public comments will be taken at the meeting, or can be submitted to the City Council via email to: permits@wallawallawa.gov

A live stream of the March 25, 2026, City Council meeting may be viewed or participated in via the City's website at www.wallawallawa.gov/government/city-council.

By accepting the proposed annexation petition, the City Council is not committing itself to ultimately annexing the proposed area. The decision to accept merely allows the annexation to move forward procedurally. If the City Council accepts the 10 percent Notice to Commence Annexation Proceedings/Annexation Petition, the process continues following a submittal of a 60 percent Annexation Petition.
