

Washington State Environmental Policy Act – SEPA
Adoption/Addendum of an existing Environmental Document
File# PLN1-26-0017

Date of Issuance: April 30, 2026

Description of Proposal: City of Walla Walla Comprehensive Plan 2026-2046- Update to the City of Walla Walla Comprehensive Plan in accordance with the Washington State Growth Management Act (GMA), including revisions to plan elements and amendments to the Comprehensive Plan Land Use Map and Zoning Map.

Proponent: City of Walla Walla, 15 N. 3rd Avenue, Walla Walla, WA 99362

Location of current proposal: All of the City of Walla Walla and City of Walla Walla Urban Growth Area (UGA).

Title of document being adopted: The City of Walla Walla Comprehensive Plan, Walla Walla 2040, and the Final Environmental Impact Statement (FEIS).

The agency that prepared the document being adopted: City of Walla Walla

Date the adopted document was prepared: 5/18/2018

Description of document (or portion) being adopted: The City of Walla Walla Comprehensive Plan, Walla Walla 2040, and the Final Environmental Impact Statement (FEIS), dated May 22, 2018.

Addendum to the FEIS: Pursuant to WAC 197-11-600(4)(c) and the addendum procedures in WAC 197-11-625, the City is issuing this Addendum to the 2018 FEIS. This Addendum provides additional information and analysis based on the April 23, 2026, Environmental Checklist. The information presented does not substantially change the analysis of probable significant adverse impacts or the range of alternatives considered in the 2018 FEIS. The original FEIS remains valid and is not modified or replaced by this Addendum.

If the document being adopted has been challenged (WAC 197-11-630), please describe: No.

The document is available to be read at: City of Walla Walla Development Services office at 55 East Moore Street, Walla Walla, WA.

The City of Walla Walla has identified, adopted, and incorporated by reference this document as being appropriate for this proposal, after independent review. The document meets our environmental review needs for the current proposal and will accompany the proposal to the decision makers. We have determined that this proposal will not have a probable significant adverse impact on the environment. An Environmental Impact Statement (EIS) is not required under RCW 43.21C.030(2)(c).
